

## PARTICIPATING PROVIDERS - WELLSPAN EAP

To schedule an EAP appointment in the south central Pennsylvania region, call a participating provider location directly.

**IMPORTANT** - When you call the office of your choice, please tell the provider's office you want to use your EAP benefits through WellSpan Employee Assistance Program.

- **You do not need health insurance coverage to use your EAP benefit.** However, some individuals choose to continue with counseling billed through their medical insurance coverage after using their EAP sessions.
- **If you have health insurance, you should ask the provider's office if they participate with your health plan.**

To arrange WellSpan EAP services anywhere outside of south central Pennsylvania, please call us toll-free, 1-800-673-2514. WellSpan EAP will refer you to a participating provider near you.
